

JUDO Food 4015

Handheld Labeling Solutions

SATO Food Handheld Labeling Solutions have been specifically designed to meet the unique needs of the food and grocery marketplace. Lightweight and ergonomic, these handheld tools are intuitive to use, allowing retailers to smoothly manage store operations. Custom marked, high adhesive, tamperproof labels make compliance, date marking and pricing seamless and reliable.

Features

- Available in one or two line models
- Ink rollers available in red or black, each creating a clear display
- Alphanumeric text bands are ideal for food safety functions
- Drop-in ink roller loading makes replacement clean and quick
- Lightweight and ergonomic, SATO tools are ideal for long-term use
- Fewer moving parts lend to greater dependability

Applications

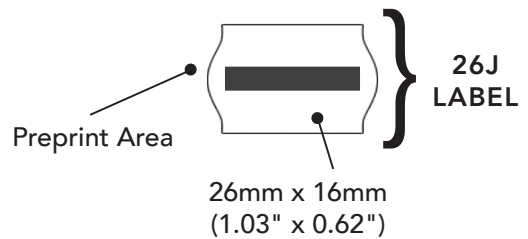

- Date Marking
- Food Safety Compliance
- Pricing
- Promotional Labeling

BENEFITS

- Specific food specialized text creates concise labels
- 20% larger than standard font makes marking clear, minimizing mistakes
- A wide, open path makes label loading easy and intuitive
- Robust construction stands up to harsh food and grocery environments

Two line tool with market specific bands

Designed for quick and easy label loading

Sturdy construction

Lightweight and ergonomic
