

# Thermal Transfer Ribbons

Wax | Wax/Resin | Resin

SATO offers competitively priced ribbons for most thermal printers. Our ribbons are designed to maximize the life of your printheads and provide consistently good print quality.

All of SATO's ribbons are **halogen-free** demonstrating our commitment to a **greener environment** and partnering with our customers in complying with applicable environmental and green initiatives, while enhancing fire safety with lower smoke toxicity.

## Diverse Applications

- Available in wax, wax/resin, or resin
- Multiple colors
- Near-edge capability

Premium Wax	Wax/Resin	Resin
<p>Ideal for general purpose use, wax ribbons offer the best possible value. Versatile enough to print on a variety of stocks, wax ribbons also dissipate static.</p> <p><b>Benefits</b></p> <ul style="list-style-type: none"> <li>• Prints on paper labels and tags</li> <li>• Best performance for value solution</li> <li>• Moderate smudge &amp; scratch resistance</li> <li>• Prints at low print head energy heat settings with higher speeds</li> </ul>	<p>The best all-purpose ribbon for challenging environments requiring high quality, durable images with protection against mild chemicals and smearing.</p> <p><b>Benefits</b></p> <ul style="list-style-type: none"> <li>• Prints on a wide variety of media</li> <li>• Reliable, sharp-edge print quality</li> <li>• High smudge &amp; scratch resistance</li> <li>• Prints at moderate print head energy heat settings</li> </ul>	<p>The best resin ribbon for extreme environments where high quality images and resistance against abrasion and harsh solvents are required.</p> <p><b>Benefits</b></p> <ul style="list-style-type: none"> <li>• Prints on polyester and polyimide films</li> <li>• Highest heat and solvent resistance</li> <li>• Excellent smudge &amp; scratch resistance</li> <li>• UL, CSA and FDA (indirect food contact) available</li> </ul>

## Labels & Tags

SATO's thermal transfer and direct thermal printing experts can recommend the best label or tag solution for any application and custom requirements. We offer tags and labels manufactured in-house in the USA and our consumables are compatible with various printer models. The most common sizes are in-stock and ready for immediate shipment.

**Use the best in the industry, use SATO genuine ribbons, labels and tags.**
