Corporate Profile

Food Safety Solutions

SATO's KENDO and JUDO series of handheld labelers exceed customer expectations. With the KENDO offering single line data printing and the JUDO offering double line data printing, your versatile food safety labeling needs are fulfilled. Equipped with commonly used food expressions, larger font size and a wide-open path for label loading, the KENDO and JUDO series are easy to operate and user friendly.

Ideal for food specialized text, JUDO FOOD has the ability to print alphanumeric text on the top line and the date, time and prices on the bottom line. Offering both black and red ink rollers allow for information to be displayed in a clear and effective manner. With one-touch ink roller replacements, the KENDO and JUDO series continue to be the handheld labeler of choice for customers.
